

REMARKS

The Office Communication noted that the specification refers to Figures 10A through 10I at page 30, line 28, but that this is inconsistent with the revised figure designations 10A-10H. Applicants have herein amended this reference to "Figures 10A through 10I" to refer to "Figures 10A through 10H." Applicants submit that all references to Figure 10I have now been amended. The amendment adds no new matter.

Applicants submit that the amendment fully addresses the issue raised in the Communication.

Respectfully submitted,
